

**BIOBLOCKED**<sup>®</sup>

# PB 0060 OVERSHOE LONG

BIOBLOCKED's Personal Protective Equipments provide comfort, reliability and safety to all health workers.

- Overshoes are an addition to our Personal Protective Line.
- The aim is to further limit the transmission of infectious agents.
- They have a non-slip sole, are laced, and come with elastic band on the top part for extra protection
- Ergonomic construction insures better fit.
